

Name: _____

Date: _____

Verbs: Past, Present, and Future Tense

Verbs are words that show an action or state of being. The **verb tense** tells when the action happened. When the verb tense changes, the verb often changes its spelling.

The three major tenses are:

- **past** (yesterday, earlier, long ago)
- **present** (today, now, currently)
- **future** (tomorrow, later, next year)

Example: **Run**

Past

She ran yesterday.

Present

She runs past me today.

Future

She will run tomorrow.

The progressive tense is formed when you add the helping verb “to be” and the suffix *-ing*.

Past Progressive

She was running yesterday.

Present Progressive

She is running today.

Future Progressive

She will be running tomorrow.
